Ba-roh!

Move right foot up to ready position

One Step / Knife Defense

1. **Attacker:** Facing partner, attack with the right-hand downward knife strike, landing in a right front stance.
Defender: Block the attacking arm with a left hand high block, with the right hand grabbed the attacking arm at the wrist while turning your back to the attacker with the knife facing them, left leg steps through and back thrusting the knife to the groin area and kihap.
2. **Attacker:** Facing partner, attack with a right hand straight forward thrust of the knife from the waist to the midsection of the body landing in a right front stance
Defender: Right foot steps back at the same time execute a left knifehand strike low to the attacking arm, with the right hand grabbed the attackers are just below the knifehand strike at the wrist, swinging the arm counterclockwise, step through with the left foot turning your back to the attacker, executed and elbow break over your right shoulder reach back with your rate are and execute a right inside forearm strike to the left side of attacker's neck while pulling the attackers left arm to execute a takedown. Two punches to the body and kihap.
3. **Attacker:** Facing partner, right-hand attack with the outside to inside lateral knife strike landing in a right front stance.
Defender: Right foot steps forward into a left back stance at the same time execute a left knife outer hand block with a right reverse upset knifehand strike, use a right N-word forearm to apply elbow break, grab attackers wrist with a inner double thumb wrist lock while stepping through, thrust the attacker forward, then execute a right spinning heel kick to the head and kihap.
